

10. The Participants, at least annually, will submit to the Board of each Trust such reports, materials, or data as a Board reasonably may request so that the trustees of the Board may fully carry out the obligations imposed upon a Board by the conditions contained in the application, and said reports, materials, and data will be submitted more frequently if deemed appropriate by a Board. The obligations of the Participants to provide these reports, materials, and data to a Board, when it so reasonably requests, will be a contractual obligation of all Participants under their agreements governing participation in the Portfolios.

11. All reports of potential or existing conflicts received by a Board, and all Board action with regard to determining the existence of a conflict, notifying Participants of a conflict, and determining whether any proposed action adequately remedies a conflict, will be properly recorded in the minutes of the relevant Board or other appropriate records, and such minutes or other records shall be made available to the Commission upon request.

12. The Trusts will not accept a purchase order from a Qualified Plan if such purchase would make the Plan shareholder an owner of 10 percent or more of the assets of such Portfolio unless such Plan executes an agreement with the relevant Trust governing participation in such Portfolio. A Plan will execute an application containing an acknowledgment of this condition at the time of its initial purchase of shared of any Portfolio.

### Conclusion

For the reasons summarized above, Applicants assert that the requested exemptions are appropriate in the public interest and consistent with the protection of investors and the purposes fairly intended by the policy and provisions of the 1940 Act.

For the Commission, by the Division of Investment Management, pursuant to delegated authority.
